headquarter

Via Carlo Dragoni 47
Zona ind.le Santa Fiora
52037 Sansepolcro
(AR)

We are strongly committed to sustainability applied to materials, and we operate in two important areas at the same time:

main areas about expertise:

Fotolito, small and large format
digital printing

1) Eco-sustainability of the product:
we invest in the research of increasingly GREEN and eco-sustainable materials;

2) Sustainability of the Supply Chain:
we are part of the first consortium for an eco-sustainable supply chain of Printing and Pop (ecoVprint) and we have embarked on a path to meet the standards for B-Corp certification.
